

# Herding Lessons

Open to all herding breeds and mixes!

This beginner herding class is designed for those with little to no prior herding experience and will include instruction in basic herding terminology, and basic handling skills.

Focus will be placed on creating a partnership with the dog, not force training.

Classes will be offered in four-week blocks.

To ensure adequate one-on-one training, classes will be limited to 5 dogs.

Sheep and ducks will be available.

---

I understand that attendance at and participation in herding training is not without risk to myself, members of my family, or guests who may attend, or my dogs, because some dogs and other animals to which I will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care. I hereby waive and release the property owner Joy Hunziker, and the instructor, Mary Moore, from any and all liability of any nature, for injury or damage which I or my dog(s) may suffer, including specifically, but without limitation, any injury or damage resulting from the action of any dog or other animal, and I expressly assume the risk of such damage or injury while attending any training session, or while on the grounds or surrounding area thereto. In consideration of and as an inducement to the acceptance of my application for training, I hereby agree to indemnify and hold harmless the property owner Joy Hunziker, and the instructor, Mary Moore, from any and all claims by any members of my family or any other persons accompanying me to any training session, or while on the grounds or the surrounding area thereto as a result of any action by any dog or other animal, including my own. Further, I agree to pay for replacement value in the event of death of any livestock at any time resulting there from, arising out of or in consequence of my participation in any training session. In case of any injury to any stock caused or alleged to have been caused by the dog entered, I personally assume all responsibility and liability for any such claim for damage or injury. I agree to pay the full market value of the injured animal in case of serious injury requiring the livestock to be euthanized, or the veterinarian bill if the injury is slight.
